

ALCATEL-LUCENT ENTERPRISE

Aries 20 Series Headset

Premium Headsets for Better Experiences

ALE's Aries 20 Series headset offers excellent performance with crystal-clear audio quality, ultra lightweight and outstanding durability. The Aries 20 Series is optimized for various scenarios such as large call centers, financial services, online education, and UC services.

Crystal-clear voice: the speakers are refined to deliver richer intonation for your HD conversations.

Noise-cancelling: the microphone minimizes background noise, highlighting your voice and improving call quality.

Reliability: the metal parts at both ends of the earpiece ensure the best durability of key parts.

Elegant design: Superior softness with adjustable headband and microphone rod for all-day comfort.

Features	Benefits
High-definition speakers with voice optimization	Crystal-clear communication and reducing listening fatigue
Noise-cancelling microphone	Highlighting your voice and improving call quality
Reliability	Greatly reducing the damage rate of headsets
Ultra light-weight	Exceptional ease for long-time wearing
Large earpiece	Reducing pressures on your ears
USB interface	Compatible with various comms software with different USB ports
