

Alcatel-Lucent Enterprise Aries 20 Headset

Robust, ultra-light headset for all your communication needs

The Alcatel-Lucent Enterprise Aries 20 headset offers a rich and high-quality communication experience with a lightweight, sleek design for professionals.

Voice optimisation: Optimised speakers focus on the voice, providing clearer communication and less auditory fatigue.

Noise cancellation: The noise-cancelling microphone reduces background noise and interference, enhances your voice and improves call quality.

Longer lasting: The metal elements at both ends of the headband ensure the main component is highly durable.

Sleek design: Adjustable headband and microphone for all-day comfort.

Features	Benefits
High-definition, voice-optimised speakers	Clear communication and less auditory fatigue
Noise-cancelling microphone	Enhances your voice and improves call quality
Durable	Designed to be long-lasting
Ultra-light	Suitable to wear for extended period of time
Large earpiece	Reduces pressure on the ear
USB interface	Multiple USB versions supported, compatible with a variety of software
